

PREFACE

“Knowledge will forever govern ignorance; and people who mean to be their own governors,
must arm themselves with the power which knowledge gives.”

– **James Madison**

It is my pleasure to present the **Fifth Edition** of the Frequently Asked Questions’ booklet, being published at the behest of the Central Board of Excise and Customs.

The tenet of voluntary tax compliance is the corner stone of service tax administration. It is our endeavor to place as much information about service tax procedures as possible in the public domain to preclude a non-compliance owing to lack of information and guidance. Dissemination of information and public awareness has been accorded high priority by the service tax administration. Information in the booklet is purely as a measure of public facilitation.

The Directorate General has made conscious efforts to keep the language of the answers simple and crisp. The questions are truly frequently asked, as experienced by the Board, Directorate and the field formations. However, the booklet is not aimed to discuss the legal issues and exceptions.

The provisions of the relevant Finance Act, notifications and circulars or instructions of the Board shall prevail over the answers provided in this booklet in case of any contradiction. While every effort has been made to ensure that the information contained in this booklet is upto-date, the Central Board of Excise and Customs and Directorate General of Service Tax, Mumbai do not hold themselves liable for any consequences, legal or otherwise, arising out of the use of any such information.

I sincerely acknowledge the remarkable efforts made by Shri Pranesh Pathak, Additional Director, Shri Rakesh Ladwal, Deputy Director, Shri.A.N.Kamble & Shri N.P. Singh, Supdt. in bringing out this edition. I would also like to express my appreciation and thanks to Shri Rakesh Misra, Additional Director General, who motivated his subordinate officers to take up the task of revising the FAQ booklet in the right earnest and diligently scrutinised its draft.

These FAQs and answers will also be available on the official website of the Central Board of Excise and Customs: www.cbec.gov.in. However, **if you have any doubts, please contact your nearest Help Centre or Central Excise Commissionerate/ Service Tax Commissionerate – visit www.cbec.gov.in to find the addresses and telephone numbers for further clarification.**

This Directorate General welcomes suggestions to make this booklet more useful.

SERVICE TAX

FREQUENTLY ASKED QUESTIONS

1. General

1.1. What is Service Tax and who pays this tax?

Service tax is, as the name suggests, a tax on Services. It is a tax levied on the transaction of certain services specified by the Central Government under the Finance Act, 1994.

It is an indirect tax (akin to Excise Duty or Sales Tax) which means that normally, the service provider pays the tax and recovers the amount from the recipient of taxable service.

1.2. Who is liable to pay service tax?

Normally, the 'person' who provides the taxable service on receipt of service charges is responsible for paying the Service Tax to the Government (Sec.68 (1) of the Act). However, in the following situations, the receiver of the Services is responsible for the payment of Service tax :

- (i) Where taxable services are provided by foreign service providers with no establishment in India , the recipient of such services in India is liable to pay Service Tax,
- (ii) For the services in relation to Insurance Auxiliary Service by an Insurance Agent, the Service Tax is to be paid by the Insurance Company
- (iii) For the taxable services provided by a Goods Transport Agency for transport of goods by road, the person who pays or is liable to pay freight is liable to pay Service Tax , if the consignor or consignee falls under any of the seven categories viz. (a) a factory (b) a company (c) a corporation (d) a society (e) a co-operative society (f) a registered dealer of excisable goods (g) a body corporate or a partnership firm
- (iv) For the taxable services provided by Mutual Fund Distributors in relation to distribution of Mutual Fund the Service Tax is to be paid by the Mutual Fund or the Asset Management Company receiving such service.

[Refer: Sec. 68(2) of the Act read with Rule 2(d) of the Service Tax Rules, 1994.]

1.3. Under what authority service tax is levied?

Vide Entry 97 of Schedule VII of the Constitution of India, the Central Government levies service tax through Chapter V of the Finance Act, 1994. The taxable services are defined in Section 65 of the Finance Act, 1994. Section 66 is the charging section of the said Act.

1.4. What are the taxable services?

Taxable Services have been specified under Section 65(105) of the Finance Act, 1994. All the taxable services as on 01.07.2010 are listed in **Appendix-1**. The list also shows

the **relevant** Accounting Heads required to be mentioned on the tax payment documents (GAR-7), while depositing the Service Tax and other related dues in the banks.

1.5. How to decide whether Service Tax is payable by a person?

A. If you are engaged in providing a service to any person, please check:-

- (i) Whether the service rendered by you is falling under the scope of any of the taxable services listed in the **Appendix-1**.; and
- (ii) Whether there is a general or specific exemption available for the category of service provided under any notification issued under section 93 of the Finance Act, 1994.
- (iii) Whether you are entitled to the value based exemption available for small service providers under notification No.6/2005-ST dated 1.3.05 as amended from time to time. Details are explained in para 8.1 of this Booklet.
- (iv) Whether the service charges were received for the services provided or to be provided.

In case the service provided by a person falls within the scope of the taxable services and if such service is not fully exempted, the service tax is payable on the value of the taxable service received, subject to the eligible abatements, if any (as discussed at para 1.7 of this Booklet).

B. If you are availing the services of the service provider, please check:-

- a. Whether the service received by you is falling under the scope of any of the services *where the recipient of the service is liable to pay Service Tax* in terms of Section 68(2) of the Act read with Rule 2(d) of the Service Tax Rules, 1994 (Please also see Para 1.2 of this Booklet).
- b. In case the service received by recipients of such service is falling under the scope of any of the taxable services defined under section 65 of the Finance Act, 1994, the recipients of the service shall pay Service Tax after considering specific exemptions/abatements admissible, if any.
- c. Please note that the value based exemption for small scale service providers under Notification No.6/2005 ST dated 01.03.2005 as amended is **not admissible** to such recipients of taxable services. (For further details, please see para 7.1 of this Booklet).

1.6. What is the rate of Service Tax?

At present, the effective rate of Service Tax is 10.3% on the value of the taxable service. The above effective rate comprises of Service Tax @10% payable on the "gross value of taxable service", Education Cess @ 2% on the service tax amount, and Secondary and Higher Education Cess @ 1% on the service tax amount.

1.7. What is meant by "value of taxable service"?

Taxable value has to be determined as per the provisions of the Section 67 of the Finance Act, 1994, read with **Service Tax (Determination of Value) Rules, 2006**.
- ii. For certain services, a specified percentage of abatement is allowed from the gross amount collected for rendering the services (see Appendix – 2) subject to the conditions, *inter alia*, that CENVAT Credit has not been availed by the service provider and the benefit under the Notification No.12/2003-ST dt. 20.6.2003 as amended has also not been availed.
- iii. **There is also a composition scheme for 'works contract service', where** the person liable to pay service tax in relation to works contract service shall have the option to discharge his service tax liability on the works contract service provided or to be provided, instead of paying service tax at the rate specified in section 66 of the Act, by paying an amount equivalent to **4% of** the gross amount charged for the works contract. The gross amount charged for the works contract shall not include Value Added Tax (VAT) or sales tax, paid on transfer of property in goods involved in the execution of the said works contract.

1.8. Can the Department modify the value determined by the service provider?

- (i) The Central Excise Officer is empowered to verify the accuracy of any information furnished or document presented for valuation.
- (ii) If the value adopted by the Service Tax assessee is not acceptable in accordance with the statute, the officer shall issue a show cause notice (SCN) proposing to determine the value as per the law.
- (iii) The SCN would be decided after providing reasonable opportunity of being heard to the assessee.

(Rule 4 of the Service Tax (Determination of Value) Rules, 2006 read with Section 67 of the Act)

- In case a recipient is liable to pay service tax (Please see para 1.2 of this Booklet) he also has to obtain registration.
- The ‘Input Service Distributors’ are also required to register them as per Notfn. No.26/2005-ST dated 07.06.2005 as amended.
- Every person who provides taxable service and is liable to pay service tax.

2.2. Why registration is necessary?

Registration is identification of an assessee. Identification is necessary to deposit service tax, file returns and undertake various processes ordained by law relating to service tax. 2.3. What is the meaning of an ‘assessee’ in relation to Service Tax?

As per the sub-section (7) of Section 65 of the Finance Act, 1994 (Chapter V), ‘assessee’ means a person liable to pay Service Tax and includes his agent.

2.4. When should a prospective assessee obtain registration?

- i. When a person commences business of providing a taxable service, he is required to register himself within 30 days of such commencement of business [sub-rule (1) of Rule 4 of Service Tax Rules, 1994].
- ii. In case service tax is extended to a new service, an existing service provider must register himself, unless he is eligible for exemption under any notification, within a period of 30 days from the date of new levy [sub-rule 5A of Rule 4 of the Service Tax Rules, 1994].

2.5. What does the word “person” appearing in the definition of taxable service mean?

No. 11/2008 dated 1.3.2008] before the jurisdictional Central Excise/Service Tax officer. To verify the correctness of declaration in the said form, certain documents such as copy of PAN card, proof of address of business premise(s), constitution of the business [proprietorship, firm, company, trust, institute etc.] etc. may be required by the registering authority. The copies may be self-certified by the applicant. In case of doubts in select cases, original documents may have to be presented for verification.

Service providers having centralized accounting or centralized billing system who are located in one or more premises, at their option, may register such premises or office from where centralized billing or centralized accounting systems are located and thus have centralized registration.

Commissioner of Central Excise/Service Tax in whose jurisdiction centralized account or billing office of the assessee exists, is empowered to grant centralized registration in terms of Service Tax 4(2) and (3) of Service Tax Rules, 1994.

2.9. In case of multiple services provided by an assessee, is separate registration certificate required for each service?

As per sub-rule (4) of rule 4 of the Finance Act, 1994, only one Registration certificate is to be taken even if the person provides more than one service from the same premises for which registration is sought. However, while making application for registration, all taxable services provided by the person should be mentioned.

If there is centralized registration, only one registration certificate is required for services provided from different premises, declared in the application for centralized registration.

2.10. What is to be done when the existing assessee starts providing a taxable service not mentioned in the registration certificate?

He should intimate the jurisdictional Central Excise officer in writing, furnishing the name of taxable service he starts providing. No fresh documents are required for verification by the officer unless there is change in any other details given in the original or earlier application(s).

2.11. Is PAN allotted by the Income Tax Department a must for obtaining Service Tax Registration?

2.12. What should be done with the Service Tax Registration on cessation of business of providing taxable service -?

In the event of transfer of the business, the transferee should obtain a fresh certificate of Service Tax registration based on his own PAN [Rule 4(6) of the STR, 1994]. The

transferor should surrender his registration certificate, as mentioned at para 2.12 of this Booklet.

2.14. Whether a service provider can make payment of Service Tax and file returns before the grant of registration by the proper officer?

A person liable to pay service tax must apply for registration before he starts paying service tax and filing return. Service provider should apply well in advance to obtain registration, which is normally granted within 7 days of filing of application. If registration is not granted within seven days, it deems to have been granted.

2.15. Is there any penal provision for non-registration?

Failure of registration may attract a penalty upto Rs.5000/- or Rs. 200/- for every day during which such failure continues, whichever is higher [Section 77(1)(a) of the Finance Act, 1994].

However, such penalty may be waived in case the assessee proves that there was reasonable cause for such failure [Section 80 of the Act].

2.16. What should be done in case of change in the office/place of business?

Any change in premises/office, as mentioned in Form ST-1, should be intimated to jurisdictional Central Excise/Service Tax Officer.

Commissioner of Service Tax/Central Excise as provided under Rule 6(4) of Service Tax Rules, 1994, giving reasons for seeking payment of Service Tax on provisional basis. On receipt of such request for provisional assessment, the authority may allow payment of Service Tax on provisional basis on such value of taxable service as may be specified by him. Upon finalization of such assessment, if a liability of service tax arises, the differential amount has to be paid by the assessee. If he has paid excess amount he would be entitled to refund. The provisions of the Central Excise (No.2) Rules, 2001 relating to provisional assessment (except pertaining to execution of bond), shall apply to such assessment.

The assessee requesting for provisional assessment shall file a statement giving details of the difference between the Service Tax deposited and the Service Tax liable to be paid for each month in a memorandum in Form ST-3A accompanying the half yearly return in Form ST-3.

3.4. How is the provisional assessment finalized ?

In case the Service Tax assessee resorts to provisional assessment after following the procedure and furnishes the returns in Form ST-3A along with Form ST-3, it is the responsibility of the Asstt./Deputy Commissioner to complete the assessment after calling for from the assessee the relevant documents or records, as may be considered necessary by him. Wherever the Asstt./Dy. Commissioner, after considering all the details/documents proposes to re-assess the Service Tax liability, the finalization of the provisional assessment would be made after providing adequate opportunity to the assessee by issuing the show cause notice and giving opportunity of being heard in person.

3.5. What is the head of account into which the Service Tax amount is to be paid in respect of various services?

Separate "Head of account" has been specified for each taxable service. This must be mentioned on G.A.R. 7 (previously known as TR-6) challan for proper accounting. **(See Appendix-1 of this Booklet).**

3.6. What is GAR-7 challan? Where is it available?

GAR-7 challan is the document for payment of service tax. **GAR-7** challan is available in any stationary shop selling Government forms. The format is also given on web-site www.cbec.gov.in

3.7. Can the Service Tax be deposited in Non-designated banks?

No. For payment of Service Tax, specific bank has been nominated for every Central Excise/Service Tax Commissionerate. If Service Tax is deposited in a Branch /Bank other than the nominated Bank / Branch, it amounts to non-payment of Service Tax [Rule 6(2) of the STR, 1994]. In any case, a non-designated bank will not accept service tax challans.

3.8. Whether the payment of Service Tax is to be made for the billed amount or for the amount received?

The Service Tax for a particular period is payable on the amount / value of taxable service received during that period and not on the gross amount billed to the client. If the charges for the taxable service have been received in advance prior to rendering of the services, the Service Tax is payable even if the services are yet to be provided by them [Section 67 of the Act and Rule 6(1A) of the STR, 1994].

[Please also refer to the Service Tax (Determination of Value) Rules, 2006.]

3.9. Can service tax be paid in advance, where the gross amount has not yet been received?

Yes. With effect from 1-3-2008, a new provision **6(1A)** has been incorporated in Service Tax Rules, 1994, whereby service tax can be paid in advance to the credit of the central government and adjust the amount so paid against the service tax which he is liable to pay for the subsequent period. The assessee is required to intimate the details of the amount of service tax paid in advance to the jurisdictional superintendent of Central Excise/Service Tax within a period of 15 days of such payment. The amount shall be paid under the respective head of accounts of the taxable service he is providing.

3.10. Can service tax be paid by cheque?

Yes, service tax can be paid by cheque. [Rule 6(2A) of Service Tax Rules, 1994]

3.11. When paid by cheque, which date will be treated as date of payment?

The date of deposit of cheque is the date of payment of Service Tax. If the cheque is dishonoured, it would mean as if the Service Tax has not been paid and the relevant penal consequences would follow. [Rule 6(2) of the STR, 1994]

3.12 When payment is made by a client to an assessee after deducting his Income Tax liability under the Tax deduction at source (TDS) provision, whether the Service Tax liability of the assessee is only towards the amount actually received from that client or tax is to be paid on the amount including the Income Tax deducted at source also?

Service Tax is to be paid on the gross value of taxable service which is charged by a Service Tax assessee for providing a taxable service. Income tax deducted at source is includible in the charged amount. Therefore, service Tax is payable on the gross amount including the amount of Income Tax deducted at source also.

3.13 What is the interest rate applicable on delayed payment of Service Tax?

Every person, liable to pay the service tax in accordance with the provisions of section 68 of the Act or rules made thereunder, who fails to credit the tax or any part thereof to the account of the Central Government within the period prescribed, shall pay simple interest **@13% per annum**. Interest is payable for the period from the first day after the due date till the date of payment of any defaulted service Tax amount. [Refer to Section 75 of the Finance Act, 1994]

3.14. Can interest be waived, and by whom?

Interest payments are mandatory in nature and the same cannot be waived.

3.15. What are the penal consequences if the Service Tax is not paid or paid late?

If a person who is liable to pay Service Tax fails to pay service tax, he shall pay in addition to such tax and interest in accordance with the provisions of Section 75 of the Finance Act, 1994, a penalty which shall not be less than Rs.200/- for every day during which such failure continues or **@2%** of such tax per month, whichever is higher.

However, the penalty amount payable shall not exceed the amount of Service Tax payable. **(Refer to Section 76 of the Finance Act, 1994).**

3.16. What is e-Payment of Central Excise and Service Tax?

e-Payment is a payment made through which a Taxpayer can remit his tax dues to the Govt. (CBEC) using Internet Banking Service. It is an additional facility being offered by the banks besides conventional procedure.

3.17. Is E-payment of Service Tax mandatory?

Yes. E-payment is mandatory for assesses who have paid service tax of Rs.10 lakhs or more including the amount paid by utilization of CENVAT credit, in the preceding financial year.(Refer Rule 6(2) of Service Tax Rules,1994). However, there is no bar for other assesseees to pay their tax electronically. In other words, other assesseees may also pay their service tax through e-payment, if they choose to do so.

Service Tax is required to be paid at the rate in force (*at present 10.3%*) only on the value/amount of taxable service, received in a particular month or quarter as the case may be, and not on the gross amount billed to the client. [Refer to sub-section (2) of Section 67 of Finance Act, 1994/Rule 6(1) of Service Tax Rule 1994].

7.2. How does one work out the Service Tax liability and pay the same to the Government, in case the customer or a client pays only the value of the service amount, but not the Service Tax amount mentioned in the bill?

Service Tax is payable on amount realized. In given situation, the amount so realized from the client would be treated as gross amount inclusive of Service Tax and accordingly the value of taxable service and the Service Tax liability are worked out as follows:

For example :

Value of taxable service (AV) = Rs. 1000

Amount Billed = Rs.1000 + Service Tax Rs.103.00 = Rs.1103.00

Amount paid = Rs.1000. Treat Rs.1000 as gross amount inclusive of service tax.

In case the gross amount, including service tax, received is, say, Rs 1000. In such cases the service tax liability may be arrived at by reverse calculation in the following manner.

$$AV = \frac{1000}{110.3} \times 100 = \text{Rs. } 906.62 \text{ (Rs.907)}$$

Amount of Service Tax + Education Cess Payable = Rs.93

Note: If the recipient of service pays full billed amount later, the differential service tax must be paid forthwith.
